### FIVE NEW DRIVE SHOWS ON JOY 94.9

JOY 94.9 takes pleasure in holding the unique position as the only GLBTI community broadcaster in Australia. JOY 94.9 is your committed lesbian and gay voice for the community, enabling freedom of expression, breaking down isolation and celebrating our cultural achievements and pride.

JOY 94.9 Broadcast Manager Nigel Slater is pleased to announce the appointment of five new drive programmes, 3-6 pm Monday to Friday:

#### **Monday Drive with Trev, Sparky and Neets**

Start off the week and eliminate the Monday blues with new JOY 94.9 presenters Trevor Wight, Sparky and Anita Smith. Seasoned live entertainers with experience on stage and screen, you'll soon find yourself forgetting that the working week has just begun! Be entertained with regular segments and fun characters.

#### **Tuesday Drive with Trace and Jase**

Tuesday rolls on with Jase and Trace. With a collective 10 years experience behind the mike, these JOY 94.9 regulars are well known to listeners and have a reputation for making you feel like you're in very safe hands! Trace was until recently heard on the 80's music program 'Fluro' and Jase presented Tuesday breakfast for 18 months.

#### **Wednesday Drive with the Royal Daltons**

The Royal Daltons, Glen Dalton and Michael Dalton, have their finger on the pulse and a unique brand of humour, perfect for the middle of the week. Their regular guests drop in for cutting edge commentary, in depth interviews, gossip and name dropping. Recently Michael presented 'Holding it in' on Friday Mornings and is a close relative of Dolly Diamond, while Glen has been a regular Drive guest, presenter and newsreader over the last two years.

#### **Thursday Drive with Katie and Nat**

As we grow closer to the end of the week join Katie and Nat with a deep swag of fun and games. They are committed to blending intelligence with silliness, a feat no one takes lightly! Katie and Nat have been on JOY 94.9 for many years, most recently as part of the Friday night programme 'Theme Party'.

#### **Friday Drive with Sue and David**

There's end of the week madness and then there's the madness of Sue and David! Accomplished and experienced JOY 94.9 presenters, they'll drive home with you and drive you mad at the same time! It's the perfect way to shed your working self and get ready for the fun of the weekend.

JOY 94.9 Broadcast Manager Nigel Slater said, "These exciting new teams add to the diversity on JOY 94.9 and increase the numbers of volunteers participating in the station's programming."

"These new Drive programmes feature regular news bulletins, weather, traffic updates and the familiar up beat JOY 94.9 music selection", Mr. Slater said.
