MEDIA RELEASE

JOY 94.9 is proud to announce that their KYLIE CALL JOY campaign has successfully landed a coveted interview with the Australian Princess of Pop, Kylie Minogue.

Breakfast presenters Nath Valvo (from The Glory Boys with James & Nath) and Adrian Perillo (from Breakfast with Andy & Adrian) made the pilgrimage to Kylie Minogue's hotel room this afternoon and were the only community radio organisation to be provided an interview.

They carried gifts including flowers, t-shirts and an Honourary Membership to JOY 94.9 for her incredible contribution to disco. The boys had a brilliant time with the Ms Minogue, and Nath even asked Kylie to sign his arm (which will be tattooing over tonight!).

You can hear the interview in two parts airing on breakfast over Monday 26 and Tuesday 27 July, and then airing in full on Sound Museum on Tuesday night.

JOY 94.9 would like to thank all the volunteers and media outlets that supported this campaign. It's rare that a community organisation is able to participate in such a large media event as this, but when it came to Kylie, we knew we had to go all out!
